OpenCart - TrustPay Payments Implementation Guide

This document describes the steps to be taken to integrate TrustPay Payments into your OpenCart e-commerce website.
Please note that this will work on Opencart Version 2.0 and above.

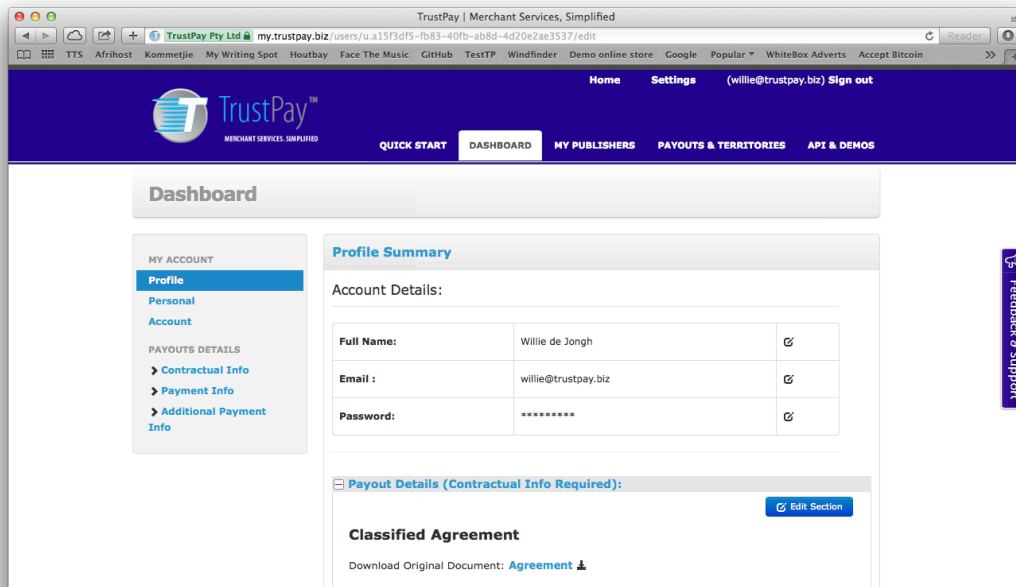

1. Register for a TrustPay Vendor Key:

- Goto <https://my.trustpay.biz>
- Click on SignUp and create a new user account.

A screenshot of a web browser displaying the TrustPay Merchant Services sign-up page. The browser's address bar shows 'my.trustpay.biz/signup'. The page has a dark blue header with the TrustPay logo and 'MERCHANT SERVICES SIMPLIFIED' text. Below the header, there's a white box titled 'Create your free personal account' with a 'Sign in to an existing account' link. The form is divided into 'Personal Details' and 'Account Details' sections. The 'Personal Details' section includes fields for 'Firstname' (with 'Open' entered), 'Surname' (with 'Cart' entered), and 'Company name' (with 'OpenCart' entered). The 'Account Details' section includes an 'Email' field (with 'info@trustpay.biz' entered), a 'Password' field, and a 'Password Confirmation' field. A yellow box below the form states: 'By clicking on "Create my account" below, you are agreeing to the Terms of Use and Privacy Policy.' At the bottom of the form is a blue 'Create my account' button. On the right side of the page, there is a vertical 'Feedback & Support' button.

- You have to verify your email and then you can sign in to <https://my.trustpay.biz>

- Goto Settings > Profile to complete KYC information.

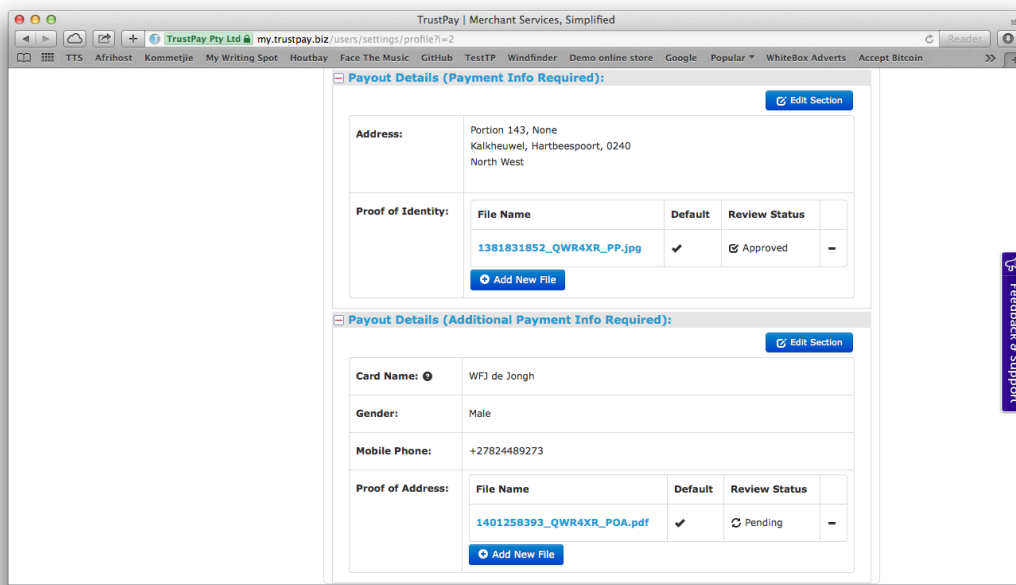

The screenshot shows the TrustPay Merchant Services dashboard. The left sidebar contains a 'MY ACCOUNT' section with 'Profile' selected, and 'PAYOUTS DETAILS' with links for 'Contractual Info', 'Payment Info', and 'Additional Payment Info'. The main content area is titled 'Profile Summary' and includes 'Account Details' with fields for Full Name, Email, and Password. Below this is a 'Payout Details (Contractual Info Required)' section with an 'Edit Section' button. At the bottom, there is a 'Classified Agreement' section with a link to download the original document.

Download Original Document: [Agreement](#)

- You have to download the TrustPay agreement, print it, sign it, scan it and upload again.
- You have to upload a copy of your Identity document or passport and proof of residence. This will enable us to pay you up to USD 20,000 per month.

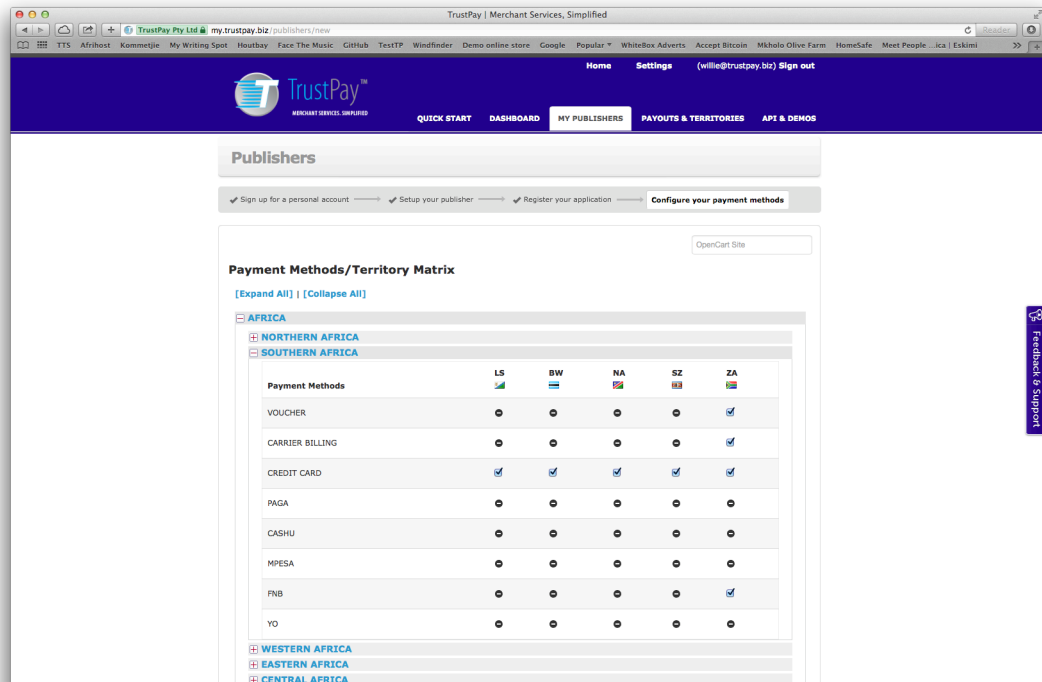

The screenshot shows the TrustPay Merchant Services dashboard with the 'Payout Details' page selected. The page is divided into two main sections: 'Payout Details (Payment Info Required)' and 'Payout Details (Additional Payment Info Required)'. The first section includes fields for Address and Proof of Identity. The second section includes fields for Card Name, Gender, Mobile Phone, and Proof of Address.

- Create a new Application for your OpenCart e-Commerce website

The screenshot shows the TrustPay Merchant Services interface. The top navigation bar includes links for Home, Settings, and Sign out. The main content area is titled 'Publishers' and features a progress bar with steps: Sign up for a personal account, Setup your publisher, Register your application (current step), and Configure your payment methods. The 'Register New Application' form is divided into two columns. The left column contains 'Publisher Details' (Publisher Name: ECommerce) and 'Application Details' (Application Name: OpenCart Site, Notification URL: http://demo.opencart.com, Shared Secret: opencart123456789). The right column contains informational text about application context and notification URLs. At the bottom of the form are 'Add Application' and 'Cancel' buttons.

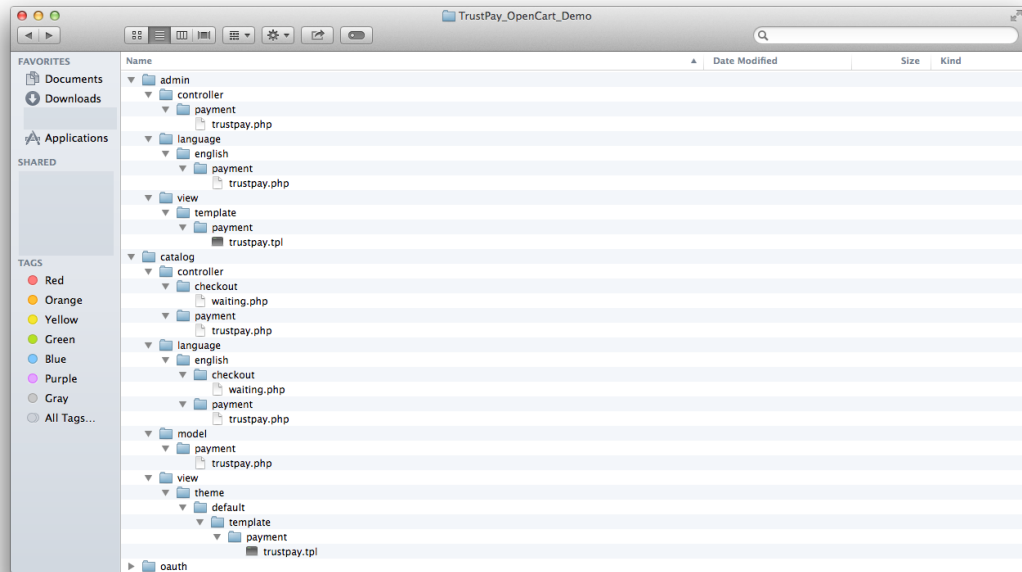

- The notification URL must be :
<http://your.opencart.url/index.php?route=payment/trustpay/notification>
- Where “*http://your.opencart.url*” is the URL to your OpenCart installation.
- Shared-Secret is any secure shared secret you choose.
- The Notification URL and shared-secret have to be configured on the OpenCart side as well.
- Select the territories and payment methods that you want to support.

- Goto the Publisher and then the Application that you have created and take note of the “**Application ID**”

2. Install TrustPay plugin files in OpenCart installation:

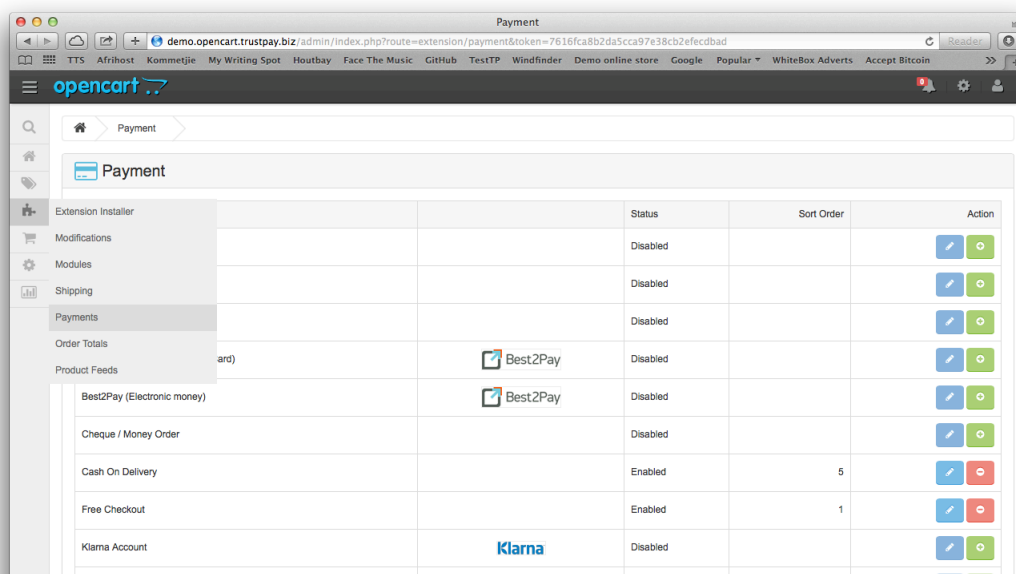

- Clone the TrustPay OpenCart plugin files from making sure you use the correct version for your version of OpenCart (1.5.x or 2.0):
https://github.com/trustpay/TrustPay_OpenCart_Demo
- You should have the following files and directory structure:

- You need to copy these files into the corresponding directories of your OpenCart installation.

3. Configure OpenCart installation for TrustPay plugin:

- Log into your OpenCard admin section
- Click on Extensions > Payments

- Scroll down to TrustPay and click on “Install” (green) button

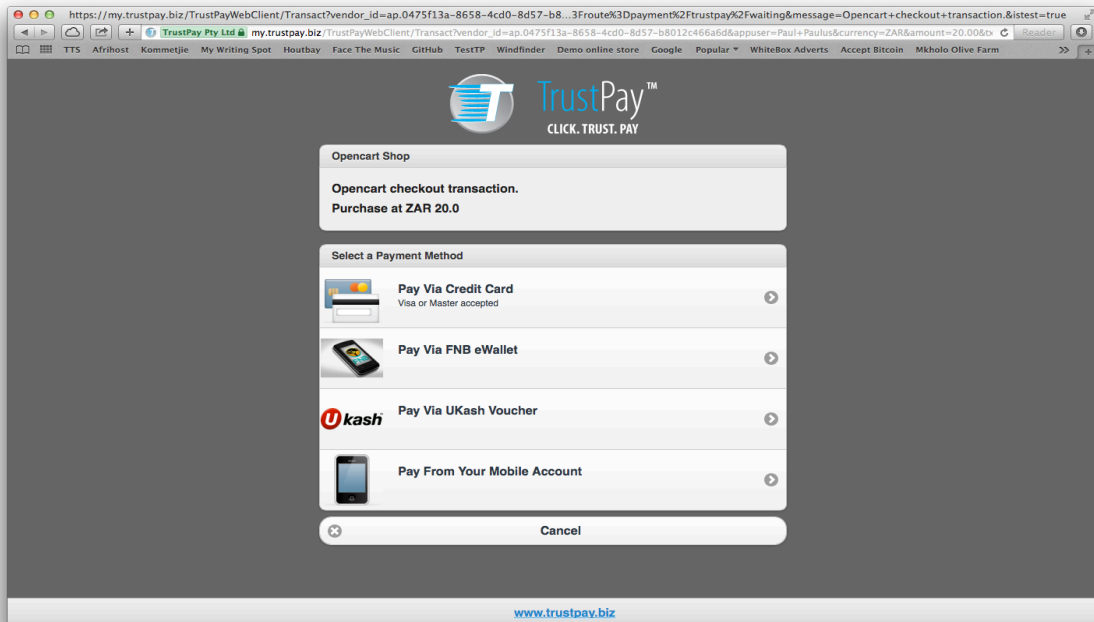

- Click on the "Edit" (blue) button next to TrustPay.
- You will see the following page:

The screenshot shows the OpenCart admin interface for configuring the TrustPay payment method. The browser address bar shows the URL: `demo.opencart.trustpay.biz/admin/index.php?route=payment/trustpay&token=7616fca8b2da5cca97e38cb2efecdbad`. The page title is "TrustPay". The configuration fields are as follows:

Shared secret:	opencart.secret
Total	1
Order Status	Complete
Geo Zone	All Zones
Status	Enabled
Sort Order	0

At the bottom of the page, it says: "OpenCart © 2009-2014 All Rights Reserved. Version 2.0".

- Enter the TrustPay Vendor Id as the Application ID you got from my.trustpay.biz
- Enter the TrustPay Notification Url as the URL created on my.trustpay.biz
- Enter the Shared secret as the shared secret created on my.trustpay.biz
- Enter Total as 1
